Sir,

I have the honour to state that at the District Board meeting held on 20th Feb-ruary 1911, the District medical and Sanitary Officer, Hassan, proposed that the pay of the waterman entertained at each of the Local Fund Dispensaries in the District, may be increased on the ground that it very difficult to procure the services of whole-time

whole-time workers, who may be allowed the daily wages at 2 annas per day (~~corresponding~~ to nearly Rs 4/- per mensem) which a female coolie gets in moffussil places.

2. The total number of such dispensaries in the District is 13, and 12 watermen out of this, are at present paid at the rate of Rs 2/- per mensem each except the waterman in the Belur Local Fund Dispensary who gets at Rs 2/- per mensem; and the proposed increase amounts to Rs 12/- per mensem or Rs 144/- per annum.

3. The Board, after a prolonged discussion on the subject passed a resolution to the effect that recommendation be made to Government in the matter. Copy of the resolution is enclosed.

4 Under the circumstances represented above I request that you will be so good as to obtain sanction of Government to increase the pay of the waterman entertained at each of

the
